

Keep our Streams and Rivers Clean!

Rain can wash anything that's on streets and paved surfaces down storm drains and into streams and rivers. Trash and Litter can clog storm sewers, cause flooding, and also find it's way into our streams and rivers. Help keep our water clean!

Leaves, grass and dirt feed algae and turn streams and rivers green. Keep them off streets and sidewalks.

Trash can clog storm sewers and cause flooding. Put it in a garbage bin.

Dog poop carries harmful bacteria. Pick up after your pet.
