The Norwood Fireworks Committee wishes to welcome everyone to the fourteenth annual Norwood Hometown Fireworks community event, which continues to grow and develop as a family tradition for great food and Fourth of July fun.

The Norwood Fireworks Committee has assembled entertainment and on site activities for families to enjoy. This year's event will start at 7:00P with DJ "Steve The Greek" who will spin tunes guaranteed to make you wanna dance. Back by popular demand are Fabulous Faces with new designs to turn your face into a "walking work of art" and Jonathan McQueen who is an amazing chalk artist. Also, new this year is the Be-Bop Bead Booth where you can make a wearable colorful beaded bracelet.

Hungry? The food trucks are definitely yummy. Mountain's BBQ will keep it smokin' and savory, and Granny's Goodies and Kona Ice treats will keep it cool. And let's not forget about the delicious hot dogs served up by the Boy Scouts "Dirt Dogs".

One of our favorites things to do is the "Rockin' Raffle". We couldn't do this raffle without the support of the many wonderful sponsors that provide some really great prizes.

New this year, at 9:40P, there will be a stage show prior to the fireworks that includes a musical medley that salutes our men and women in the military, the talented Norwood High School Cheerleaders and the announcement of the winner to the Master of the Fireworks. The grand finale will be the spectacular ROZZI Famous Fireworks that will light up the skies. In the near future we may have a few more attractions to announce.

The Norwood Fireworks Committee reaches out to local companies and organizations and encourages them to participate in the event through the many sponsorship packages that are available. We would like to acknowledge Alford Motors as a "hosting" sponsor this year, as well as acknowledge those companies that are Platinum, Gold and Silver sponsors. All the companies will be acknowledged on the Entertainment banner and the NHF website. It is not to late and it is easy for a company to participate. Sponsorship dollars help offset event costs and get company names out into the community. Contact Marion at marion@mschnieg.com

The Norwood Fireworks Committee gratefully acknowledges that an event of this caliber could not happen without the professional, dedicated committee members, civic groups, volunteers and local business resources, as well as the cooperation of the City of Norwood, and the Norwood Board of Education.

So join us as we celebrate freedom, pride of community and family on the Fourth of July. See you there!

*Please note: No alcohol, coolers and pets are permitted on the stadium grounds or parking lots.
Thank you.*
