

## **CURB SIDE LEAF PICK-UP HAS ENDED FOR THE SEASON**

As of 1/10/2020, the City of Norwood Public Works Department has ceased curb side leaf pick up for the season. As a result of the unusually warm winter season so far, if you still have leaves that need to get picked up, they must be placed in leaf bags and put out with your garbage on garbage day. Leaf bags are free to all residents of the City of Norwood through our Health Department on Sherman Ave. Thank you
